Certificate of
Completion for
Firefighter 1 & 2

**MESCAL-J6 FIREFIGHTERS TAKE TOP HONORS - CLASS OF 2014
WHETSTONE FIRE ACADEMY**

Six Firefighters from Mescal-J6 Fire District completed approximately 334 hours of training from July 12th to Aug. 2nd to graduate from the Whetstone Fire Academy. Five individuals were sponsored by the District and one by Sunsites (approximately \$850 per firefighter). Each must successfully test August 22nd and 23rd to receive State Certification for Firefighter 1 & 2.

Firefighter Josh Olander (top left) was presented the Bronze Halligan Award for the highest Academic and Performance Scores. Firefighter/EMT Amanda Ratcliff (top right) tied another firefighter for the second highest academic score after Josh. Firefighter Chris Lieber (bottom left) received an award for the Greatest Improvement. Instructor Captain Foster explained that Firefighter Lieber demonstrated the best gains for effort extended - significantly increasing distance and endurance stats while also losing 34 pounds!

The bottom right photo captures the additional members of "Team-MJFD" receiving graduation honors: Firefighter Andrew Erives, (third from left) Firefighter Garrison Ratcliff (second from right) and Firefighter/EMT Ian Battles (right). Chief Larry Anderson, family and friends were present to extend immediate kudos.
